This is the time of the year, there is a 34% increase in serious serious injuries , as well as an alarming 38 % increase in the number of deaths. Across the country, an average of 36 people were killed every day in accidents involving alcohol between 2001 and 2005. Between Christmas and New Year’s, 40 % of fatal accidents involve drunken drivers. SafeAuto.com’s new year driving statistics show that between 2008 and 2012, January 1 had the highest percentage of alcohol-related deaths, when compared to other days and holidays. During holidays, more drivers are harmed by alcohol, because so many people are going to holiday parties and drinking alcohol in excessive amounts. If you’re planning to travel this holiday season, or if you’re going to attend a New Year’s Eve party, never drink and drive and encourage your friends to do the same We are true lawyers who come to court to fight for truth and justice! We can say with confidence that ÂÃ¨ all ready for 2020 come to an end, and that means ÂÃ¨New Yearâ€TM20 Although this time of year is one of excitement and joy, it also comes with inherent dangers. Of these, 3,995 people died in alcohol-related accidents. These figures are intended to give you an idea of how dangerous roads can be during vacations. On New Year’s Eve, about 45 % of the population admits drinking non-stop.New Year’s holiday is a time of celebration and joy, but it has also been proven more dangerous. In fact, South Carolina is the third most dangerous state based on the highest accident rates based on the number of licensed drivers. The statistics are as follows: 50 Motor Vehicle Collisions in South Carolina involving fatalities. Secondly, just the Thanksgiving holiday, the New Year’s Eve is one of the most dangerous holidays of the year; there is a shocking 95 % increase in car crashes on New Year’s DayTo give you a better understanding of how Dangerous in New Yearâ € ™ Â ™ Â ™ od ognol oa o£Ã§Ãudnoc ed sodoÃrep sortuo euq od saruges sonem otium o£Ãs sair©Ãf sa ,aserprus meS .
