2017 single by Lil Xan "Betrayed" Single by Lil Xan from the EP Toothache and the album Total Xanarchy Released July 20, 2017 (2017-07-20) Genre Hip hopemo rap Length 3:07 Label Columbia Sony Songwriter(s) Diego Leanos Adrian Bruesch Producer(s) Bobby Johnson Lil Xan singles chronology "Far" (2017) "Betrayed" (2017) "Slingshot" (2017) Music video "Betrayed" on YouTube Remix cover Official remix artwork featuring Yo Gotti and Rich the Kid "Betrayed" is a song recorded by American rapper Lil Xan, released for digital download on July 7, 2017.[1] The single peaked at number 64 on the US Billboard Hot 100.[2] Background The song focuses on Lil Xan's personal struggle with the use of Xanax. On the track, Xan talks about past relationships, his struggle with drug abuse, and the adverse effects of Xanax. Lil Xan explained what happened the day that he was inspired to write it, saying that, "I was with my homie Steven and we recorded out of a really ghetto garage. 'Slingshot,' 'Betrayed,' all those songs were recorded in a ghetto, bougie garage. It's just a vibe, you know? The writing is easy there. It just comes naturally. In bigger studios, I can't really catch a vibe like that. I'm not gonna lie, I probably wrote that song in 20 minutes, but I knew when I wrote it this was something different that people haven't heard from me yet. I went in, laid it down and everybody was fucking with it heavy, so it was insane." Though Leanos still uses the moniker "Lil Xan", he also raises awareness for the problems with the drug, explaining his thoughts in an interview. "People call me a poser all the time. They're like, 'You don't do Xans. You're Lil Xan and you don't do Xans?' I was painfully addicted to Xanax for like two years of my life, so anybody trying to tell me I'm a poser, can shut the fuck up. Because I know what it's like to be addicted to that. And I was lucky enough to get off of that shit. A lot of rappers don't really be talking about not doing drugs. The opposite way. It's refreshing." The music video has over 278 million views on Lyrical Lemonade and has 8 views on his Vevo as of June 2020.[4] Remix The song's official remix, released on March 15, 2018,[5] includes guest verses from Yo Gotti and Rich the Kid, and a new verse by Leanos.[6] Charts Weekly charts Chart (2017–18) Peak position Canada (Canadian Hot 100)[7] 49 Portugal (AFP)[8] 63 Sweden Heatseeker (Sverigetopplistan)[9] 11 US Billboard Hot 100[10] 64 US Hot R&B/Hip-Hop Songs (Billboard)[11] 28 US Rhythmic (Billboard)[12] 22 Year-end charts Chart (2018) Position US Hot R&B/Hip-Hop Songs (Billboard)[13] 73 Certifications Region Certification Certified units/sales Australia (ARIA)[14] Gold 35,000 Denmark (IFPI Danmark)[15] Gold 45,000 Mexico (AMPROFON)[16] Gold 30,000 United States (RIAA)[17] Platinum 1,000,000 Sales+streaming figures based on certification alone.
