State your contact information, including your TRUE NAME, street address, telephone number, and email address. Identify the copyrighted work that you believe is being infringed, or if a large number of works are appearing, a representative list of the works. Identify the location of the material on the World Wide Web by providing "information reasonably sufficient to permit GameBanana to locate the material". State that you have "a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner, its agents, or the law". Notice and Takedown ProcedureIt is expected that all users of any part of the GameBanana system will comply with applicable copyright laws. However, if GameBanana is notified of claimed copyright infringement, or otherwise becomes aware of facts and circumstances from which infringement is apparent, it will respond expeditiously by removing, or disabling access to, the material that is claimed to be infringing or to be the subject of infringing activity. GameBanana will comply with the appropriate provisions of the DMCA in the event a counter notification is received by its Designated Agent. 2. Notice to Users of GameBanana ServicesPursuant to the Terms of Service Agreement you agreed to when you were permitted to become a System User, you are required to use only lawfully-acquired creative works as content, and your content submission(s) may be disabled upon receipt of notice that infringing material is appearing in them.
