Demonology warlock 3. 3. 5 pve guide

In other words - Spam Soulfire here. Here is an analysis showing my felguard jhuthun and what he does: -Meta vs. -Life TAP: Continue 100%. They are based on personal dps and not in the raid dps of buffing. If you are a tailor, then get the lightweave embroidery that is a +295 spelling power buff you get (is 20% working time during a boss fight that is great for your Personnel DPS and Buffs demonic pact for the attack). Make sure that immolate is first. Gems / Charming: Use the above values to determine which gem / enchants to get. You receive the decimation when your Shadowbolt or Incinerate reaches a max / boss in =
